

## 2024 Board Member Nominees

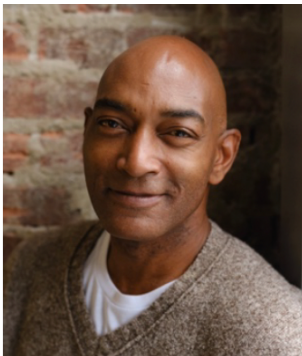

---

**Alan Richardson** joined Dallas Area Rapid Transit (DART) in 1981 and worked in Fleet Maintenance before joining Fleet Engineering, where he's led the Warranty Program and Fluids Program; he's currently on the Operations Engineering Team. Alan served on DART Federal Credit Union's Board of Directors for 20 years and was Chairman of the Board. He became a City CU Advisory Director in 2011, a Board Director in 2012 and Board Chairman in 2018. Past roles include Secretary, Chair of the HR Committee and the Political Action Committee and member of the Nominating Committee. Alan is active with governmental affairs and engages with state representatives, legislators and regulators on key issues as a Credit Union Advocate in Washington, D.C. He completed CUNA's Professional Development Volunteer Achievement Program, is a past member of CUES and annually attends director training. Alan completed his third term as an elected Trustee of his local school district and is a small business owner, part-time rancher and a member of the Texas Cattle Raisers Association. He graduated from Texas State Technical College.

**Greg Reichel** began his 15-year mortgage career at a credit union. He's a Senior Vice President at City Bank Mortgage and a real estate development small business owner. Greg became a City CU Advisory Director in 2019 and was elected as a Board Director in 2020. He completed CUNA's Professional Development Volunteer Achievement Program and has served on the Audit Committee and serves on the HR Committee. He volunteers with Incarnation Academy in Dallas, MetroTex and is the committee chair for The Birthday Party Project. Greg attended the University of Oklahoma.

**Tony Hobley** is the Chief DE&I Officer for Omnicom Precision Marketing Group, a large global advertising and marketing communications holding company. His background includes leadership positions leading several advertising and marketing agencies and managing global client relationships. Tony's served on the board of several community organizations in Dallas.
